

Registration & Voting Directions for IDEABLOB

- 1) Go to www.ideablob.com and look in the upper right corner for where it says “login / register / FAQ...” and click on register.
- 2) A screen will come up asking you to select a **user name**. This can be your name or anything you like, but don't put any spaces between the letters. It will also prompt you to enter your **first and last name**, select a **password**, and enter your **e-mail**. It will ask you to **answer a question**, and to check a box saying that you **accept the terms**. Once that screen is filled out, click the “Register Now” button.
- 3) An *Optional Information* screen will come up asking for more personal information (address, phone etc.). You DO NOT have to provide this information. Go to the bottom and click Register.
- 4) At this point, ideablob will send an e-mail to the e-mail address you provided. You must **go to your inbox, open the e-mail and click the link in the e-mail to confirm your registration**.
- 5) Now you are officially registered and can vote. Go to www.ideablob.com, and look for IntelliDANCE (at this writing we are on the sprint leader board—click on IntelliDANCE and our page will come up. (If you have any trouble finding us, you can also go to www.KinestheticEdge.com to vote—look for the ideablob box and click.) When the IntelliDANCE page comes up, click the green vote button. A box will come up asking you to *sign in*. Fill in the boxes using the **user name** and **password** you selected moments ago and click the login button. You will know you voted when the green button turns gray.

IMPORTANT: If IntelliDANCE makes it into the finals the last week of March, you will be able to VOTE ONE MORE TIME! Please remember your username and password, and just repeat Step 5 from above. Thanks everybody!!!
